2000-06   **Program Coordinator**
Graphic Design Technology/Interactive Media Production
Santa Fe Community College, Gainesville, Florida (presently Santa Fe College)
http://inst.sfcc.edu/~graphics/index.html
- Promote, build, advance and manage two-year Associate of Science degree program emphasizing workforce practice and technology in print and web production
- Create and promote Interactive Media Production Vocational Certificate program designed to instruct DVD authoring and interactive project management
- Coordinate and develop faculty schedules and curriculum taught in Graphic Design Technology and Interactive Media Production
- Manage program operations—budget, facilities, staffing, software upgrades, computer labs and computer replacement, student recruitment and special application procedures
- Student Advisor
- Maintenance Standards of Syllabus and Attendance policies
- Enhance curriculum and promote faculty training and integration of web based classroom resources
- Enhance educational opportunities by partnering with area high schools to promote earning college credit before graduation
- Promote faculty involvement with industry affiliations
- Serve on statewide education committees to plan or enhance curriculum strategies
- Organize annual student show, jury process, award donations, media coverage and awards/opening gala
- Pursue and manage endowment funds for student scholarship opportunities and awards
- Build industry partnerships and place students in jobs
- Create continuing education opportunities for area designers and design businesses
- Develop new programs
- Provide expertise on college marketing and job search committees
- Design program promotional materials
- Teach courses and substitute when needed

1997-2006   **Associate Professor**, Graphic Design Technology
Santa Fe Community College, Gainesville, FL
http://inst.sfcc.edu/~graphics/index.html
- Taught all levels of design curriculum in two year vocational Associate of Science training program
- Assisted in curriculum development for all aspects of program-wide course pre-requisites and seamless integration of professional software tools
- Assisted in faculty advisement for Graphic Design Student Association
- Advised/monitored college computer replacement plan and software purchases to parallel industry expectations for graduates

1996-97   **Adjunct Instructor**, Graphic Design Technology
Santa Fe Community College, Gainesville, FL
- Developed and taught advanced course curriculum to mirror industry practice of current software tools
